## WEEK ONE

Dear Parents,

What a SUPER week! We started off on Wednesday meeting our new friends and counselors. Our morning was filled with water play, games, and 'chinuch'-a time to learn about being a 'super Jew' through play. This week's focus in chinuch was on Ruth, who taught us about friendship. With the focus on friendship and Ahavat Yisroel (loving your fellow), we worked as a group to create a heart puzzle for each bunk. We also enjoyed the jumbo-sized water slide, Snapology legos and ended off the day with an amazing magic show by Magic Jeff!

On Thursday, we started off our day with the petting zoo and pony rides! Senior Gan went swimming, and we all enjoyed Super Soccer Stars! In chinuch, we all made bracelets for our new friends using a variety of materials that were age appropriate.

On Friday, it was time to get ready for Shabbat. We made special oreo topped challahs, sang Shabbat songs, and had a special treat! We didn't let the bad weather slow us down. Instead of water play, Jr and Sr Gan went on a scavenger hunt to find a prize! Campers also enjoyed learning to drum & make rhythms with Chris! Play Hooray came to sing and dance with our Mini and Jr divisions and our oldest campers started their needlepoint specialty at Needlepoint Nook. In chinuch, we started to decorate our super Jew capes that we will bring home at the end of the summer and we did an 'egg-citing experiment with brown and white eggs!

We had a spectacular week, and we look forward to seeing everyone again next week!

Have a Shabbat Shalom & Happy 4th of July weekend!
