WEEK TWO

Dear Parents,

Week two was so much fun! We learned about the Torah Superhero Shlomo Hamelech (King Solomon) and how to be just like him by being wise and making good choices. Weren't our crowns cute! Of course we also did our regular favorite camp activities like basketball, water play, and playground time.

On Monday, we got creative when we had our first art special with Morah Jen. Senior Gan went swimming and were divided into swim groups to start lessons. Parachute fun and a nature scavenger hunt rounded out the day. On Wednesday, Senior Gan went on a full day trip with a picnic by the beach, and choices of climbing, funhouses, and mini-golf. Our younger campers got to enjoy Play Hooray and yoga class. On Thursday, everyone enjoyed movement with Tiffany and Super Soccer Stars! We also watched Episode One of The Marvelous Middos Machine. It was really enjoyed, and you can find it on youtube to watch with your children at home. It ties into our superhero theme for the summer. In the afternoon, Junior and Senior Gans went to All American Gymnastics which was so much fun! On Friday, our volleyball net was finally set up and we had drumming too! Of course we made challah and had Shabbat parties to get us ready for Shabbat. Enjoy our cinnamon challah for your Shabbos table.

We had a SUPER week, and we look forward to seeing everyone again next week!

***Please note a change in next week's schedule. Instead of International Day on Thursday, we will have Purim in July dress up day. Put on your favorite costumes. ***

Have a Shabbat Shalom!
